The Athens Land Trust's (ALT) mission is to promote quality of life through integration of community and the natural environment by preserving land, creating energy-efficient and affordable housing, and revitalizing neighborhoods. We pursue this mission with a variety of funding sources, including rents, easement maintenance fees, grants, membership and fundraising events such as the Spirit of the Land art sale and wine tasting and the Harvest Moon Dinner.

Besides the obvious goal of raising funds, the Harvest Moon Dinner is conceived as an opportunity to further ALT's mission by allowing the community to celebrate our accomplishments while dining upon the finest regional cuisine, served amid the conserved landscapes that help provide our table. We hope that you will take the opportunity to enjoy this special evening meal with us. Harvest Moon seating is limited to 120 guests.
